

EVANSBURG ARENA OPENING POSTPONED BY ROOF DEFECT

Damage to roof trusses forced closure of the Evansburg Centennial Arena in the week prior to the official opening scheduled for last Saturday, March 1st.

Evansburg Centennial Arena.

TOWN COUNCIL MEETING

Council Agrees to Fire Arrangement

Town Council at its regular meeting last Thursday afternoon authorized entering an agreement with the County of Parkland to house, maintain and operate a fire truck stationed here to provide fire protection to the county area around Drayton Valley.

The town will receive \$500 yearly for maintaining the truck which is the same agreement as is in effect between the County of Parkland and the Town of Stony Plain. The town is also allowed use of the vehicle if required.

The Drayton Valley Fire Department had objected to the type of truck and equipment and Fire Chief Don Greiner was present at the meeting to explain the department's stand.

The prime objection, Mr. Greiner noted, was the amount of water carried by the truck. The vehicle under consideration carries 750 gallons and it is the contention of the local fire department that 1,500 gallons are required to adequately cope with a

fire without another immediate source of water.

Members of town council had met earlier in the week with the county council when it was pointed out that the standard rural fire fighting unit is equipped with a 750 gallon tank. All units stationed at county points are of this capacity.

The county council had obtained estimates and found the price of the 1,500 gallon truck to be about \$28,000, compared to \$22,000 for the standard unit. County councillors noted however, that minor modifications to improve the efficiency of the machine, would be considered.

Members of town council expressed the view that the type of truck or its equipment was not the concern of the town which had been requested only to house, maintain and operate the machine. A motion was accordingly passed that the county request be approved.

PLAN SUMMER FIGURE SKATING SCHOOL HERE

A summer skating school will be held in Drayton Valley from June 30th to August 24th followed by a week of hockey school. Figure skating will be taught at Canadian Figure Skating Association levels. Classes in creative dancing on ice will also be conducted.

Mr. Harry Nevard will be directing the school and will be instructing along with five other professionals. Mr. Nevard is the senior professional at the Gateway Figure Skating Club in Edmonton. He is a Gold Medalist and a Western Canadian Champion of singles, pairs and fours.

It is expected that registrations will be coming from a distance as well as from the surrounding area. Accommodation will be required for approximately 60-70 skaters. The local Figure Skating Club is asking local residents to cooperate in this venture by offering to give room and board to these students. The out-of-town skaters will be prepared to pay \$20.00 per week for board and room. It is quite urgent that a list of available accommodation be compiled immediately.

Anyone interested in providing board and room for all or part of the eight weeks is asked to write Mrs. Gwen Simpson, President of the Drayton Valley Figure Skating Club, Drayton Valley, or to phone 542-4249.

CORRECTION

Playing second with the bonspiel winning Vander Ploeg rink was Ron Pruden not the R. Maden we reported last week. Our apologies to Mr. Pruden.

The unfortunate circumstance came as a blow to residents of the village who have accomplished a noteworthy achievement in providing covered ice facilities comparable to those usually found in communities of considerably larger size. The arena was erected at a cost close to \$60,000 and many hours of voluntary labor by town and area residents.

The weight of new snow (almost five feet deep in places on the roof) is thought responsible for weakening the roof supports. The defect was discovered Wednesday evening when the arena was being decorated for the ice carnival planned in conjunction with the official opening.

Evansburg Mayor Len Corkery said the arena was closed immediately and at the weekend the village council was awaiting an engineering report before going ahead with repairs. The report was expected early this week.

It is anticipated that steel supports will be used to reinforce the roof trusses and it is hoped that repairs can be made quickly and the building put back in use with a minimum of delay.

Continued on Page 8

Drayton Bakery Changes Hands

Mr. Otto Nickel has announced the sale of the Drayton Bakery to Mr. Walter Hesselbarth and Harold Hesselbarth. The change became effective March 3rd.

Mr. Nickel, who has been in business in Drayton Valley for the past nine years, has no immediate plans for the future. Long hours and daily tension contributed to his decision to dispose of the business for health reasons.

Mr. Nickel noted that building the business over the years had been possible only by the loyal support of town and district customers and storekeepers.

Mr. Walter Hesselbarth has worked for the past five years with Mr. Nickel and will be joined in the venture by his son Harold. They plan an official opening in the near future.

St. Anthony's Science Club members prepare for another in series of balloon launchings.

BALLOONS SET ADRIFF IN SCIENCE PROJECT

Members of the St. Anthony's School Science Club have been engaged in a wind study project during the past week that entailed the release of helium-filled balloons at intervals, during the day.

The balloons carry a card explaining the project and asking

finders to contact the school. At the weekend one balloon report had been received from Onaway. Air-borne life of the balloons is estimated at about six hours.

POST OFFICE TENDERS CALLED

Tenders were called last week by the Federal Department of Public Works for lease-build postal accommodations in Drayton Valley.

The tenders close April 8th for a building containing about 3,000 square feet. The building could be new construction or other premises renovated to specifications.

If new construction was accepted, the present property owned by the Federal Government between The Towers and the Alberta Liquor Store would be available to the successful tenderer.

Tender requirements include a built-in vault, lunch room, postmaster's office and usual lobby and lock box space occupying an area about the size of the present post office.

Successful tenderers would be expected to submit a building proposal in the case of new construction that calls for concrete block reinforced with steel and brick facing.

Surrounded by happy members of the Entwistle Clothing Club, Dawn Brown accepts the plaque won by the club from Mr. Garry Webber, President of the Stony Plain 4-H Council.

Entwistle Club Wins 4-H Trophy

The Entwistle Clothing Club won the plaque as the judges' selection for the best performance among the eleven clubs participating in the 4-H Rally at the Evansburg High School Friday evening.

The rally is an annual event of the Stony Plain 4-H Regional Council and was hosted this year by the Pembina Field Crops and Lobstick 4-H Beef Clubs.

Each of the eleven clubs presented skits, songs and musical entertainment enjoyed by about 300 persons present in the school auditorium.

Clubs taking part in the program were: White Rose Beef, Lobstick Beef, Fallis Food, Entwistle Clothing, Drayton Valley Beef, Blueberry Beef, Sundance Beef, Duffield Beef and Pembina

Field Crops.

Garry Webber, President of the Stony Plain 4-H Council, M'ceed the evening and presented the Entwistle club with the winner's plaque.

The evening concluded with lunch, compliments of the Wildwood and District Agricultural Society and the Lobstick Beef and Pembina 4-H Field Crops Clubs.

Any child who knows the value of a penny is better than decimal fractions than most adults.

COUNCIL BRIEFS

At its regular meeting last Thursday council authorized the sale of lots to Herman MacDonald and Manuel Reich and appropriate bylaws passed.

The subject of installing water and sewer services into the Lindgren acreage was discussed. The parcel 580 by 280 feet is described at Pt. NW 9-49-7-W5 and is located between Block 45 and Block 28. The town engineer had prepared estimates on the work and council authorized an offer to Mrs. Mildren P. Lindgren of \$10,860 for the town to install the services required to subdivide and develop the property.

A letter and brief on control of river pollution received from Lethbridge was read and discussed by Council. The brief was tabled until the next meeting.

Council accepted the offer of Fred Rasko for the purchase of a residential lot and the necessary bylaw passed.

Site for a go-cart track was again introduced and council accepted the offer by Bill Ross to purchase two industrial lots under tax recovery procedure for this purpose. The lots are located between L.B. Motors and the U.F.A. Co-op station.

Council directed that Alberta Municipal Financing Corporation be advised that the Town of Drayton Valley will require \$33,000 for construction of sidewalks, curbs and gutters this year.

An offer by J.R. MacKenzie to provide two acres of land to the town, with the town purchasing an additional two acres, for the purpose of a children's playground in the north section of town was turned over to the Department Committee for a recommendation. The council expressed its appreciation to Mr.

MacKenzie for his offer.

Council tentatively approved the subdivision of Block 29 into smaller industrial lots about 80 by 130 feet with a 25 foot lane running north and south through the present block. Handy Al's Construction is presently situated on the block just west of the Tassee Freez drive-in.

BURTONSVILLE

MRS. A. HOMME
Correspondent

Mr. and Mrs. Albert Osbak and family of St. Francis visited Bernice's parents, Mr. and Mrs. A. Homme on Saturday. Rev. Kennedy also visited with Mr. and Mrs. Homme on Sunday.

Rev. George and Mrs. Harriman and Mrs. Short, all of Edmonton with Miss Laverna Grandfield who is on furlough from the mission field of Chikombedzi, Rhodesia, were district visitors. Miss Grandfield is an R.N., and has spent five years there at the Mission Hospital. Rev. and Mrs. Harriman, Rev. Kennedy, Mrs. Short and Miss Grandfield all attended the Women's Missionary group meeting Monday afternoon at Mr. and Mrs. Cecil Homme's.

Miss Grandfield gave a very interesting talk concerning her work among the Africans. There was a Missionary Rally at the church on Monday evening where she showed colored slides of the work being done there and in many cases of the daily life of the Africans, besides pictures of the many different animals and beautiful flowers.

Her message was very inspiring and interesting. She has trained African nurses to do her job as she plans to go into full-time Evangelism on her return to Africa. We pray God's Blessings will rest upon her.

The people of this district wish to express their sympathy to the Shoep family on behalf of Mr. Shoep of Tomahawk who recently passed away.

The past 48 hours have brought 7 inches of new snow, and the wind is piling it up.

In Africa, women like these will participate in the World Day of Prayer, proud that this year African women prepared the service for women around the world. -- Picture courtesy of Berkeley Studio.

World Day of Prayer Friday

The World Day Of Prayer held annually on the first Friday in March, will be observed on March 7th. The service this year has been prepared by a group of African women.

Beginning in Tonga in the Friendly Islands, women around the world will participate in services based on the theme "Growing Together In Christ".

In Drayton Valley the World Day Of Prayer Service(s) will be held in All Saints Anglican Church. Women's Service, 8:00 p.m.; Girl's 12 and up, 5:00 p.m.; and Children ages 6 to 11, 4:00 p.m. Leadership to the service will be given by the Anglican Church Women and Dialogue of Testimony - panel discussions

will be held instead of a guest speaker. Film.

EDITORIAL COMMENT

Let's Keep the C.B.C.

Yes, let's keep the C.B.C. but let us also demand a number of modifications, including a firmer hold on the purse strings.

We believe much of the material produced by the C.B.C. is of top value including the glimpses of Canadianna that might not be available without government subsidy. We're sure that many, many people enjoy documentary programs as a change from a steady diet of blood and thunder and the variety show type.

The C.B.C., of course, has its share of the so-called popular programming but gets a black eye from costly flights of fantasy in the name of culture and a bit too much earthiness in some of its down-to-earth programs.

A little staff cropping in the earthiness and culture departments and management on a more business-like basis should remove many of the objections voiced from time to time across the country. If the C.B.C. can't then function adequately to the advantage of Canadians -- then by all means, let's get rid of it.

Concern for Humanity

Volunteer workers are the backbone of any non-profit organization and it is obvious that this is true of the Canadian Red Cross Society since over 90 percent of its work is carried on by volunteers.

These dedicated men and women, of all ages and from all walks of life, have a deep concern for anyone who is suffering or who is in need. They believe that neighbour should help neighbour whether he lives next door or thousands of miles away in another country.

It is good to know that despite the evidence all around us of man's inhumanity to man, there are people of compassion and understanding who believe that they have a responsibility to clothe the naked, feed the hungry and comfort the sick.

March is Red Cross Month in Canada and this year the Canadian Red Cross Society is celebrating its Diamond Jubilee. Its record of achievement over the past 60 years clearly testifies to the public spirited generosity of its volunteers. We salute these men and women of this community and this nation whose humanitarian principles are expressed in social action.

A sidewalk interviewer asked an oldtimer what he thought of the two candidates in an election.

"When I look at them, son," he replied, "just thank the Lord that only one of them can get elected."

Report From Parliament Hill

By Allen Sulatycky, M.P.

Postmaster General Eric Kierans has adopted a very tough stance in his effort to curb the deficits being piled up by his Department.

He has also shown a disposition to pay heed to reasonable arguments. An illustration of this, on a matter affecting many people living within the Rocky Mountain riding, is provided by the following exchange of correspondence between myself and the Postmaster General:

February 5th, 1969

Dear Mr. Kierans:

Further to our recent conversation regarding the increase in the rental of Post Office boxes, I wish to advise you of the following.

Rents for Post Office boxes in many areas of my constituency are collected at different times of the year. Under instructions issued to the Postmasters, they are required 30 days before the box rental is due to so advise the holders of the boxes by placing the attached card in the box.

On January 2nd the Postmaster placed this card in the boxes where the rental was due on February 1st. Many people paid the rental fees for the coming year

and received a receipt for the same.

On January 18th, the Post Office Department announced an increase in the rates. Many of the people and Postmasters in my riding are uncertain about whether or not those people who had paid for the rental of their boxes prior to the announcement of the increase should be required to pay the difference in the old and new rates.

It is my contention that the agreement between the person renting the box and your Department would be complete when the rent was paid and therefore those persons who paid the rental fees before the announcement should not be required to pay the difference.

Yours sincerely,
Allen Sulatycky, M.P.
Rocky Mountain.

February 25th, 1969

Dear Allen:

This refers to your two letters of the 5th of February concerning the matter of the increased rental charges for Post Office boxes announced for the 1st of February.

As you mentioned, our rules call for Postmasters to draw the attention of boxholders to the need for renewing rentals 30 days before leases expire. In view of this, it would have been better if notice could have been given of the changes earlier than was the case. The facts were, however, that in common with our other services the costs for providing Post Office box service have been mounting sharply and the present financial circumstances make it imperative to introduce the changes as quickly as possible in order to reduce the burden falling upon the general taxpayer.

Upon receipt of your letters, I asked that the legal questions involved be taken up with the Department of Justice. I am now informed that after thorough review of the statutes and precedents dealing with similar situations

tions the opinion has been expressed that in any case where payment was made by a boxholder at a rate effect before the 1st of February there was a completed contract between the Crown and the patrons.

Apparently, the question at law in this case, is not a simple one, but I do not propose to go into details. I will simply say that refunds are going to be made to all who first paid at the former rates and subsequently paid a further amount upon being informed of the increased rates which became effective the 1st of February.

I am very grateful to you for writing me on the matter.

Yours sincerely,

Eric Kierans.

TOWN OF DRAYTON VALLEY

Re: Real Property Taxes Discounts and Penalties

Please be advised that The Council of The Town of Drayton Valley has passed Bylaw No. 431 authorizing allowances of discounts and impositions of penalties on Taxes as Follows:

1. To allow discounts on all payments of current taxes:
 - (a) during the period January 1 to March 31, a rate discount of 8%.
 - (b) during the period April 1 to June 30, a rate discount of 5%.
2. To impose a penalty on all payments of current taxes and be added to and form a part of the unpaid taxes:
 - (a) during the month of August a penalty of 1%
 - (b) during the month of September a penalty of 2%
 - (c) during the month of October a penalty of 3%
 - (d) during the month of November a penalty of 4%
 - (e) during the month of December a penalty of 5%
3. Upon all taxes remaining unpaid at December 31, in any year, a rate of penalty of 8% will be imposed and added thereto and in each succeeding year thereafter so long as the taxes remain unpaid.

The provisions of Bylaw No. 431 became law on the 19 December 1968.

County School Committee Meets

Minutes of a meeting of the School Committee of the County of Parkland No. 31 continued on Friday, February 14th, 1969.

Present -- Messrs. R.A. Bailey, R. Lent, George Mann, R. Zander, William Barth, Ivan Vowk and T.W. Johnson, School Committee members, also Superintendent of Schools Mr. Henry Toews, Assistant Superintendent Mr. W.G. Wilson, and Assistant Secretary-Treasurer A.W. Boychuk.

The meeting was called to order at 10:15 a.m. with the Chair man Mr. R.A. Bailey in the chair.

Purchase of Elmer Lutz Bus Resolution No. 100 -- Moved by Mr. T.W. Johnson that Elmer Lutz be offered \$3,900.00 for his 1964 - I.H.C. 42 passenger school bus. Carried.

Interview - Stony Plain Valley Ball Group -- A delegation from the Stony Plain Valley Ball Group came to see the School Committee regarding the use of the Gymnasium in the Junior High School for Volley Ball. They wanted to know in what category they would be placed for payment of fees. They were advised that Category C-4 would apply to their group. The matter of use of school equipment was discussed and the matter will be resolved at a later date.

Minor Repairs - Stony Plain Schools -- Mr. William Barth reported to the meeting that he had to authorize several minor repairs at the Stony Plain Schools.

Resolution No. 101 -- Moved by Mr. Roy Lent that Mr. William Barth's action in effecting minor repairs at the Stony Plain Schools be approved. Carried.

Deficiencies - Stony Plain Commercial Wing - Resolution No. 102 -- Moved by Mr. T.W. Johnson that the list of deficiencies at the Stony Plain Commercial Wing be sent to the Architect with a request that they meet with the Principal and the Main-

tenance Committee to arrange for immediate action to correct these deficiencies. Carried.

Boarding Allowance - Transient Students - Resolution No. 103 -- Moved by Mr. William Barth that students moving into the County during the school term, who cannot be given a suitable program in County schools, be supported at another school or at the school where the student came from by paying the tuition, if any, and \$45.00 per month towards room and board. Carried.

Payment in Lieu of Conveyance - Resolution No. 104 -- Moved by Mr. T.W. Johnson that J.H. Collingridge's request for \$8.00 per day payment in lieu of conveyance be not granted. Carried.

The meeting re-assembled after lunch at 1:15 p.m. with everybody present that attended the morning meeting, also Mr. L.N. Miller.

Casual Help - Schools, Resolution No. 106 -- Moved by Mr. L.N. Miller that the rate for casual clerical help at the schools be set at \$1.75 per hour. Carried.

Request Increase in Salary - V. Woodruff -- Vernon Woodruff, caretaker of the Tomahawk School requested an increase in salary. He is presently receiving \$260.00 per month and his assistant \$75.00 per month.

Resolution No. 107 -- Moved by Mr. Ivan Vowk that the Maintenance Committee be delegated to study caretakers' salaries in the County and present a recommendation to the School Committee. Carried.

Caretaking Supplies - Fuller Brush Co. - Resolution No. 108 -- Moved by Mr. L.N. Miller that Fuller Brush Co. be advised that their request for part of the County caretaking supply business be tabled until such time as a Maintenance Supervisor is engaged. Carried.

New Truck - Felix Knor - Resolution No. 109 -- Moved by Mr. R. Zander that Felix Knor's request regarding a new truck be tabled until after a Maintenance Supervisor is engaged. Carried.

Request for Blinds - W.K. Arnold - Resolution No. 110 -- Moved by Mr. R. Zander that W.K. Arnold's request for 76 blinds and other items for the Drayton Valley Junior High School be referred to Mr. T.W. Johnson, Mr. Ivan Vowk and Mr. W.G. Wilson for attention. Carried.

Fire Inspection Reports - All School -- Fire Inspection reports on all the schools in the County were received. These reports were referred to the Maintenance Committee for consideration and attention.

Request for Bus Service - Mrs. Jack Norfolk -- Mrs. Jack Norfolk, who is considering moving her children to Websters (S.W. 24-53-3-5) wants school bus service to Stony Plain.

Resolution No. 111 -- Moved by Mr. Roy Lent that the Norfolk children be authorized to ride on the Williams' bus to Stony Plain

COUNTY OF PARKLAND NO. 31

Notice of Intention to Lease Portions of Highway

As Hereinafter Described

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN of the intention of Council to pass a Bylaw to close:

All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for the North Alberta Land Registration District described as follows:

1. Road allowance along the south side of the S.E. 1/4 1-51-26-4.

Reserving thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office during the regular office hours, Monday to Friday, inclusive until 6:00 o'clock Friday, 7th day of March, A.D. 1969.

Any person who claims that his land will be injuriously affected by the passing of the said Bylaw and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 6:00 o'clock p.m. on Friday, 7th day of March, 1969.

Any person who claims that his land will be injuriously affected by the passing of the said Bylaw and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 6:00 o'clock p.m. on Friday, 7th day of March, 1969.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, at 10:00 o'clock a.m. on Monday, 24th day of March, 1969, or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said Bylaw, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 10th day of March, 1969, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 12th day of February, 1969.

O. W. SCHUSTER,
Secretary-Treasurer.

F.U.A. Local President Urges Greater Interest

Regular monthly meeting of the Drayton Valley Local F.U.A. will be held at 8:00 p.m. on Wednesday, March 12th in the Council Chamber of the Town Hall.

Local President Frank Hoge urges area farmers to make an effort to attend and non-members to become members. United, Mr. Hoge notes, Alberta farmers can do a great deal to advance their own cause that cannot be accomplished individually.

He cites the removal of the three cent tax on purple gas as an example of the efforts of the U.F.A. and is emphatic about the possibilities of accomplishment if the F.U.A. received the whole-hearted support of the majority of Alberta farm residents.

Remember the date -- Wednesday, March 12th -- make a point of attending and learn what the F.U.A. can do for you.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending March 1st, 1969 provided by the Livestock Division, Canada Department of Agriculture.

RECEIPTS CATTLE-CALVES	CATTLE CALVES	HOGS	SHEEP
This Week (est.)	4750	3700	1050 1300 300
Last Week	5613	4612	1001 1555 208
Same Week 1968	5773	4323	1450 2026 120

SUMMARY: Cattle receipts were relatively light this week partly due to poor road conditions. Offerings were mixed with all classes and grades represented. The proportion of feedlot cattle was down this week with approximately 50% of the total slaughter cattle considered of choice and good quality. Slaughter steers opened under some pressure and sold 25¢ lower from last week, this level was maintained throughout the week. Quality butcher heifers were not too plentiful but those on offer traded on a steady basis. Butcher cows were in fairly good supply. The cow market was active, prices strengthened throughout the week to close 50¢ to \$1 higher. Bulls steady. Last week's shipments off Edmonton yards: East - 323 for slaughter, 212 for feeding. West - 268 for slaughter. To southern Alberta - 519 feeders. Export - 8 head.

(Bulk Closing Quotations)

SLAUGHTER CATTLE

Choice steers 26.25 to 26.75, good 25.25 to 26, medium 24 to 25. Choice heifers 24.25 to 24.75, good 23 to 24.25, medium 22 to 23. Good cows 19.50 to 20.50, medium 17.50 to 19. Canners and cutters 14 to 17. Good bulls 21.50 to 22.50.

REPLACEMENTS

Stocker and feeder cattle made up 70% of the total cattle

sales. The replacement trade was active and strong under a broad demand with prices ranging from 50 to \$1 higher on steer classes. Stock steer calves sold 50 to \$1 higher with some sales up to 34. Good stock and feeder steers (600-750 lbs) 28.50 to 31.50. (750-up) 26.50 to 28, common to medium 20 to 25. Good stock and feeder heifers 23 to 25, common to medium 18 to 22.50. Stock cows 17 to 20. "QUALITY MEMORIALS WITH QUALITY CONSULTATION"

Moon Lake News

NINA HANSEN
Correspondent

Mrs. Barbara Schenk would like to thank the Ladies of the Moon Lake Community for the lovely flowers and gift she received while in hospital.

Sunday visitors at the home of Mr. and Mrs. Atlo Hansen were Mrs. Olga Prince and Mr. and Mrs. Noel Pickeral and children from Genesee.

On Friday, February 21st, approximately thirty teenagers attended a teen-sox-hop in the hall. A record player supplied the music and everyone reported having a good time. Many thanks go to Mrs. Laura Tufty and Mrs. Violet Telford for being chaperones that evening.

Many of the Moon Lake 4-H Beef Club members and several adults attended the 4-H Rally in Evansburg on Friday evening. Everyone enjoyed the skits, songs and pantomimes.

The Moon Lake Ladies Club is having an Easter Ham Bingo in the Moon Lake Hall on Friday, March 21st. Adm. -\$1.00, extra cards 25¢.

The regular monthly whist drive has been postponed to March 22nd from March 15th. The postponement is for this month only.

head from 14.50 to 25 each.

SHEEP & LAMBS

Good to choice butcher lambs sold generally steady with few lots at 27. Local feedlot lambs at 28 less 4% shrink. A few lots good feeder lambs 23 to 24.50.

CHANGE OF OWNERSHIP

Mr. and Mrs. Nickel

Annamarie and Otto Nickel announce the sale of . . .

THE DRAYTON BAKERY

to

Mr. Walter Hesselbath

and

Harold Hesselbath

To Our Friends and Customers . . .

We would like to express our sincere thanks to all of you who it has been our pleasure to serve during the past nine years. Health reasons have forced our decision to dispose of the business.

We hope that the new owners, Mr. Walter Hesselbath and his son Harold, will receive the same trusted patronage you have accorded us in the past. They propose an official opening in the near future and are looking forward to serving you.

Again, many thanks,
OTTO AND ANNAMARIE NICKEL.

Millbank F.U.A. Returns Officers

The regular meeting of the Millbank F.U.A. was held Saturday, March 1st.

The club is going to hold a raffle of three items, 1st-\$25, 2nd-\$15, and 3rd club quilt. These will be raffled off on May 3rd at the regular meeting.

A whist drive will be held on Saturday, April 12th after the meeting which was postponed from April 5th to April 12th due to Easter being that weekend.

Election of officers were held and are the same as last year. Alto Hansen, President; Albert Schenk, Vice-President; and Josephine Namchuck, Secretary.

The slides were shown by Marion Medd and were enjoyed by all present.

Legislature Report

BY RALPH JESPERSEN, M.L.A.

The proceedings of the Legislature this past week in completing the Throne Speech debate brought up many interesting topics of special interest to all the people of Alberta. In trying to keep my reports as concise as possible, I will just touch on that which would be considered highlights.

The highlight of interest especially to our rural agriculture people was the announcement by Premier Strom that our Provincial Government will give financial assistance to farmers plagued

with the problem of drying their damp grain. This assistance will come in the form of a guaranteed loan of a maximum of \$1,000 per farmer, repayable in two years. This announcement by Premier Strom followed the statement by Federal Agriculture Minister H.A. Olson, indicating that no further credit would be given farmers to aid in grain drying operations.

Agriculture Minister Hon. Henry Ruste in his report to the Legislature outlined many programs in which Alberta led the other provinces. These include: Municipal Seed Cleaning Plants, there are 65 now in operation in the province. Provincial Irrigation policy, a whole new Act was drafted last year at the session. Consolidated Laboratory. Pesticide testing and research on a Provincial basis. Alberta became the first Brocellosis restricted area in Canada.

The report on the Dominion-Provincial Conference held just prior to the opening of our Legislature was given by Premier Strom. One very remarkable feature of this Conference was that although each of the western provinces prepared their own submission, yet every province complimented the other and presented a very strong united voice for western Canada. It is hoped that as a result of this Conference and future meetings the western provinces will be given equal consideration on matters of transportation, freight rates, tariffs and a voice on important matters as markets for our produce and other related matters.

Hon. R. Speaker, Minister of Welfare, gave a very comprehensive report on his Department. Using charts and figures, Mr. Speaker indicated the results of surveys his Department

MAGNOLIA NEWS

MRS. W. E. CAMPBELL
Correspondent

both of Edmonton, spent Saturday evening with Jack and Vera.

Mr. Dallas Strangway was a very welcome visitor at the homes of his brother, Dean and sister-in-law, Betty and his parents. His stay lasted from Monday, February 17th until Wednesday, February 19th.

John Wadell, Jr. escorted his sister Mary to a birthday party in Edmonton on the evening of Saturday, February 22nd. Mary reports having spent an enjoyable time.

A ski-dooing party was enjoyed at the N.R. Gylander farm by members of the family. Home to enjoy the weekend were Allan, and Betty with their family, Doug and Marvie and family, Eleanor, Bill, Olive and family, and Dave and Marvie with their family.

The Campbell sisters held a wedding anniversary supper for their parents this week. Supper guests were Mr. and Mrs. Charles Anderson, Ed and Ada.

Happy birthday to Miss Maxine June who celebrated her birthday on February 21st. She was the guest of honor at a birthday supper held by her parents. Supper guests were Al and Alma Roth, Danny, Corrine, Wade and Glynn. Evening visitors were Allen, Brenda and Larry Walker, Connie Rose and Miss Sharon Rose.

Betty and Peter McDougall motored to Edmonton Saturday evening to attend a belated birthday party for Jack McDougall. Peter McDougall's friends will be glad to learn that he is able to return to work in Edmonton this week.

Mr. Glynn Roth and Miss Maxine June were weekend guests of Rick and Valerie Peden in Edmonton. They enjoyed a very pleasant time.

Youth Fair

The Alberta Youth Achievement Fair was held in Calgary March 1st to 4th. One district youth, Ted Bruner of Evansburg, was listed in the placings for 4-H Junior Project Books. Ted, a member of the Pembina Field Crops Club, placed eleventh in the provincial competition.

Small boy to playmate, as pretty little girl passes by: "Boy, if I ever stop hating girls, she's the one I'll stop hating first!"

COUNTY OF PARKLAND NO. 31

Notice of Intention to Lease Portions of Highway

As Hereinafter Described

PURSUANT to the authority of County Council and as provided in the Municipal Government Act, NOTICE IS HEREBY GIVEN OF the intention of Council to pass a Bylaw to close: All that portion of highway in the County of Parkland No. 31 in the Province of Alberta of record in the Land Titles Office for North Alberta Land Registration District described as follows:

- That portion of the road allowance between section 14 and section 15 in township 53, range 4, west of the 5th meridian, bounded on the south by the north limit of road plan 2827 E.O. and on the north by the quarter section boundary.
- That portion of the road allowance between legal subdivision 8, 9 and 16 in section 14 and Legal subdivision 5, 12 and 13 in section 13 in township 53, range 4, west of the 5th meridian, a distance of 3,960 feet.
- That portion of road plan 2827 E.O. lying east of section 15, in the south west quarter and south east quarter of section 14 in township 53, range 4, west of the 5th meridian.

Reserving thereout all Mines and Minerals.

Plans showing the location of the said highway may be inspected and information obtained in the County of Parkland Office, during the regular office hours, Monday to Friday, inclusive until 6:00 o'clock Friday, 7th day of March, A.D. 1969.

Any person who claims that his land will be injuriously affected by the passing of the said Bylaw and petitions to be heard, is requested to file his claim with the Secretary-Treasurer, County of Parkland No. 31, Stony Plain, by not later than 6:00 o'clock p.m. on Friday, 7th day of March, 1969.

AND FURTHER TAKE NOTICE that at its meeting to be held in the Council Chambers, 10:00 o'clock a.m. on Monday, 24th day of March, 1969 or so soon thereafter as the matter can be conveniently dealt with, the Council will afford an opportunity to be heard to any person by himself or his agent who claims that his land will be injuriously affected by the passing of the said Bylaw, who has petitioned to be heard as aforesaid and who appears at the said meeting.

In case the meeting does not take place on the 10th day of March, 1969, then at the first meeting of Council to be held subsequently thereto, the Council will afford any person by himself or his agent who has petitioned to be heard as aforesaid an opportunity to be heard at the said subsequent meeting.

DATED at Stony Plain, Alberta, this 12th day of February, 1969.

O. W. SCHUSTER,
Secretary-Treasurer.

Perfect Attendance Awards

One year perfect attendance pins were presented at the recent Lions Club Charter Night to, rear row, left to right, Fred Kaarsemaker, Fred Schipper, Dan Gregor, Gordon Hay and Alf Armstrong; front row, left to right, Adam Eckert, Orest Gawalko and Gordon Miller.

Rebels Eliminated from Provincial "C" Playdown

The Rebels have been eliminated from any further league or provincial play-offs. On Tuesday February 25th, the Ft. Sask. Huskies won the league semi-finals 4 games to 1 by defeating the Rebels 5-4 in the fifth and final game.

Then last weekend the Rebels hosted Ray's Esso Service from Edmonton in a two game total point series in the first round of the Intermediate C provincial playdowns. On Saturday night Ray's Esso defeated the Rebels 8-3 and 11-4 on Sunday to take the series 19 goals to 7.

Against the Huskies they lost that game in the last minute and 21 seconds. A great win for the Huskies and a hard pill to swallow for the Rebels. Ft. Sask lead 2-0 after the first period with goals from Schillington and MacIntyre. Then the Rebels caught fire and went ahead 4-2 with Barry Solnes notching 3 goals and Frank Novacek added a single. At 11.53 of the 3rd period Grier narrowed the gap 4-3 for the Huskies. The Rebels had control of the game until the 18:39 mark when Butch Thomlinson tied it up and at 19:41 Bill Hays scored the winner and the Ft. Sask fans went wild.

The Camrose Maroons defeated Wetaskiwin 4 games to 2 which was an upset in their semifinal series therefore Camrose now meets the Fort for the league championship.

Ray's Esso Service (alias the Belcourt Brothers) came to town and put on a display of some fine team work with crisp accurate passing. On Saturday night Sam

Belcourt scored a hat trick, John adding 2 more and Lynn playing on defence scored a single to lead them to a 8-3 victory. Barry Solnes, Don Born and Dan Davie replied for the Rebels. M. Zacharuk and Ken Parsons scored the other Ray's goals. The 3 stars chosen were Sam Belcourt, John Belcourt and Barry Pankewicz who turned aside 36 shots. The winners of the scoring pool were Len Bannard, Joe Makarowski and Paul McGee.

Sunday's game was highlighted by Barry Ness who scored a hat trick and won a hat of his choice from Mackenzies Mens Wear and sponsored by Meraw and McGee's Well Servicing. This award restricted to Rebel players only. D. Flemming and Ken Parsons also scored hat tricks in leading Ray's Esso to an impressive 11-4 victory. John Belcourt added 2 goals, Sam Belcourt, M. Zacharuk and D. Rippleeach got a single. Jim Dunn scored the other Rebel goal. The 3 stars of this game were Barry Ness, D. Flemming and Ray's goaltender J. Downs who turned aside some hard drives from the Rebels. The scoring pool winners were Christie Peters, Frank Hazard and Bob Sheridan.

The Rebels were certainly outclassed by the Edmonton team who have good size, experience and fine passing going for them. Very few spectators were on hand to see good clean hockey as only 9 minor penalties were handed out in the 2 games played.

Any games that the Rebels play now will be exhibition games and will be announced.

Once again the Rebels are holding a holiday trailer raffle as first prize, a set of golf clubs as second prize and an automatic dishwasher as 3rd prize. The draw will be made on May 2nd, early enough for the winners of the trailer and golf clubs to enjoy this summer. Only 500 tickets at \$10.00 each will be sold and these tickers are available now from any Rebel player or executive member.

Barry Solnes was also awarded a hat for his hat trick at Fort Sask.

TEAM STATISTICS

Drayton Valley Rebels year's statistics. Players, games played, goals, assists, points and penalty minutes respectively:

D. Boulter, 22, 2, 7, 9, 8; D. Bome, 24, 2, 1, 3, 6; R. Colbert, 24, 5, 9, 14, 20; J. Dunn, 12, 7, 4, 11, 0; D. Davie, 22, 16, 7, 23, 29; W. Garding, 23, 9, 7, 16, 10; G. Haack, 23, 2, 2, 4, 24; A. Hopfe, 20, 7, 2, 9, 10; R. Hemmingway, 22, 9, 15, 24, 6; K. Machan, 19, 1, 4, 5, 14; F. Novacek, 23, 14, 17, 31, 36; B. Ness, 24, 11, 18, 29, 21; G. Pankewicz, 22, 5, 7, 12, 80; B. Solnes, 20, 1, 11, 12, 20; Schultz, 1, 1, 0, 1, 0; K. Mundie, 2, 0, 0, 0, 0; L. Maginn, 2, 0, 0, 0, 0; and L. Silzer, 6, 0, 1, 1, 0. A. Mattoon, 13, 1, 1, 2, 6; Goalkeepers - M. Moger 15 games played - 71 goals against, G.A. Ave. 4, 73; B. Pankewicz 7 games - 26 G.A., G.A. Ave. 3, 71; P. Zapisocky 2 games - 13 G.A., G.A. Ave. 6, 50.

Hereford Sale

Forty-nine polled Herefords sold at the Western Meadows sale at Wetaskiwin on February 22nd for an average price of \$566.50.

Among purchasers of bulls were H.H. Wilson of Breton, W.G. Medd and Sons of Tomahawk, and Otto Miller of R.R.1, Warburg. Several other males and females went to the Calmar, Leduc and Stony Plain areas.

ALDER FLATS NEWS

MRS. B. JOHNSON
Correspondent

Thirty Guides and Brownies of Alder Flats met together Thursday, February 18th to celebrate their Founder's birthday. Exciting games started the events of the day. Each Patrol represented a country telling of its Guides and showed a game played there. Rose Patrol-Australia. Pansy Patrol-Sweden. Lily of the Valley Patrol-Germany. Brownies led the group in a song, 'Auntie Monica' and also in a snail dance. The celebration ended with a campfire and lunch.

The Donnie Maciborsky rink came home from Warburg with study lamps and a trophy they won by taking first in the second event. Curling with Donnie were Wyatt Gilbertson, Victor Forchuk and Dennis Maciborsky.

Three Alder Flats teams came home with prizes they won in the Buck Creek 'spiel last weekend. Arnold Kellgrens rink took first in the second event (fishing fly rods) on the team were Norman Moore, Gordon Linkholm and Gordon Shanks. The Scotty Hare rink received study lamps for taking first in the third event, curling with Scotty were Robbie Bohning, Lars Larson and Hi Bolander. Winning second in the third event was Bruce Clemmer with Glen Hanson, Neil Clemmer and Paul Poudrier they received shot gun cases.

TAX TIPS

This income tax column has been prepared by the Edmonton District Office, Department of National Revenue, Taxation. The questions used are common ones, and the answers usually straightforward. However, unusual circumstances sometimes alter the answer. If your question isn't answered here, or in the Income Tax Guide, phone 424-0251 in Edmonton or write National Revenue, Taxation Edmonton for free advice.

1. Q. Where should a taxpayer write to find out when he will receive his refund or if his return was properly completed?

A. Don't ordinarily write anywhere, to do so just delays the processing of a return or refund because it takes staff from these operations to answer such letters. The Department does give priority to refund returns and any delay experienced will either be due to the volume of returns being received or the need for additional information. But be sure to supply any information requested as promptly as possible.

2. Q. I operate a farm in the summer, but to supplement my income I am gainfully employed in the winter. Must I pay Canada Pension Plan contributions on my farm income in addition to my contributions on employed earnings?

A. Yes, self-employed earnings are subject to Canada Pension Plan contributions but your Required Contribution will be reduced by the amount you and your employer have already contributed. To determine the amount of contributions payable complete the area "Canada Pension Plan Contributions on Self-Employed Earnings" on page 1 of the T1 General form.

3. Q. In November, 1967, I had a minor operation. The costs of this were paid in December, but as they were my only medical expenses for the year and they were less than 3% of my income, I could not claim them on last year's return. However, in the spring of 1968 I had more medical expenses. Can I claim the expenses I paid in 1967 on my 1968 tax return?

A. You can claim medical expenses paid in any 12-month period ending in 1968 if they have not already been allowed on your 1967 return. In your case, you could claim all medical expenses paid from December 1st, 1967 to November 30th, 1968, on your return, and the period used in one year may overlap the period used the year before.

4. Q. What is required by way of a medical receipt?

A. An acceptable receipt for medical expenses should contain at least the following information: The name and occupation of the person to whom the payment was made; the reason for the payment; the date of the billing; the date of payment and the name of the person on whose behalf the medical expenses were incurred.

5. Q. If I sell grain to a grain company and request that payment be deferred until the next year, in what year do I report the sale as income?

A. You report it in the year it was sold to the company. The fact that you request them to hold payment until a later year does not change the date of sale. However, if you placed the grain in storage, received storage tickets and did not surrender them until a later year, at which time you are issued a cash ticket, you would report the sale in the year the cash ticket was issued.

"Does Wattles understand the purchasing power of a dollar?"

"Yes, but what troubles him is the purchasing power of his wife!"

From Nylon Carpeting to Nose Cones

A fuel that ancient peoples thought was a miracle is producing near-miracles today for modern industry.

The fuel, natural gas, was venerated by man as early as 1000 B.C. because of its "mysterious powers." Twentieth Century man has harnessed those powers, employing them today in myriad ways to make everything from acrilan to zithers.

The glass fibre draperies on your windows, the nylon carpeting under your feet and the synthetic fabric upholstery of the chairs and couches in your living room are all products in whose manufacture gas played a role.

The chances are good, too, that the clothes you are wearing came from the petrochemical world where natural gas derivatives are major ingredients of such man-made materials as nylon, dacron and orlon.

More than ever, industry today is turning to gas to make new and better products for modern living. Well over 10,000 industrial plants throughout Canada now depend upon this versatile fuel for the manufacture of their products. Together they purchase almost 50 per cent of all gas used in Canada each year.

While new and more productive uses for gas are being developed by industry, natural gas is likewise attaining increased importance as a raw material.

In the petrochemical industry, hydrocarbons are extracted from gas and are blended with other elements to create literally hundreds of new products such as synthetic rubber, man-made fabrics, plexiglass, detergents, fertilizers, chemicals and entire families of versatile plastics.

Natural gas is helping man, too, to explore the outer regions of space. The body of a missile or space capsule is hardened under three hours of exposure to a 1,600-degree blast of gas heat. Missile nose cones, which must withstand intense heat during re-entry into the earth's atmosphere, are tempered by gas heating. And industrial scientists find natural gas extremely valuable in research and development laboratories.

As modern industry continues to write new and exciting chapters in the development of a better tomorrow, natural gas will continue its central role in making that goal more attainable.

WABAMUN NEWS

VERA ROBERTS
Correspondent

The new Post Office hours will be from 9 a.m. to 5 p.m. daily except Saturday. Lunch hour 12 to 1 p.m. Saturday 9 a.m. to 12 noon only. These hours will be effective starting March 8th.

The sympathy of all friends go out to Mr. and Mrs. J. Holland and family in the loss of Mr. Holland's father, Mr. Holland of Vancouver who passed away on February 19th.

The Elk's and the Royal Purple Lodges will be holding bingo games every 2nd and 4th Wednesday of each month at Gainford in the Elk's Hall. They will be looking for a good crowd so come on out for a nice evening.

Mrs. R. T. Ward is visiting her daughter and son-in-law Mr. and Mrs. Larry Burke of Rimbev for a few days.

Mrs. Anna Hedge is now an Artex Liquid Embroidery instructor. Anyone who would like to have an Artex party please phone

Dr. D. L. KREYCIK
VETERINARIAN
OFFICE PHONE 542-4318
DRAYTON VALLEY
After Hours Phone 542-4216

Mrs. Hedge at 646-2515.

Mr. Z. Goulet got hit with a flying puck at the hockey game the other evening while refereeing a game between Onoway and Wabamun and had to have some stitches.

Mr. D. Stadnick has returned home from Radville, Saskatchewan where he attended his father's funeral.

The United Church Building fund is nil. Any contributions would be very much appreciated as the need for a furnace is great. Any contributions may be sent to Mrs. W. Sparrow, Treasurer, Box 94, Wabamun, or to Mr. J. Webster, Chairman, Duffield.

The Board of Stewards meeting of the Wabamun United Church was held in the church on February 25th. The new officers are: Chairman, Mr. J. Webster; Secretary, Mrs. Fred Woollard; Treasurer, Mrs. W. Sparrow; Board Member, Mrs. L. Ivan.

Home and School recreation night in the Wabamun School auditorium each Wednesday at 8:00 p.m. All ladies are welcome.

The U.C.W. are having a St. Patrick's tea and bake sale on March 17th from 2 - 4 p.m. in the church basement. Adults 35¢ and children 20¢.

The father and son banquet for the Wabamun 1st Pack which was held last week turned out real well. Mr. R. Jesperson M.L.A. was one of the guest speakers, also Mr. and Mrs. Rae Wagar and Mr. and Mrs. B. Wild of Winterburn. A good attendance was there and they enjoyed a skit which was put on and several games were played before the evening was over.

The sympathy of the district goes out to the family of Mr. G. Laight in the loss of their father who passed away in Ottawa, Ontario on February 20th. He leaves to mourn his loss two sons Bernard of Hamilton, Ontario and Charles of Ottawa, also two daughters Mrs. N. Gagne of Spruce Grove and Mrs. A.T. Miller of Calgary.

Many here will remember Mr. Laight as he used to carry freight in the early days before the railroad came through. He also had the post office here. He was in the Boer War and the First World War, after that he was with the Indian Affairs branch for 28 years. He took a very active part in the community and was an ardent curler.

We are sorry to hear of the passing of Mr. Joseph Basso who used to live here. Mr. Basso had been living at Taber, Alberta and had moved to Bellvue about three years ago. He leaves to mourn his loss his wife, one son Donald and one daughter Mrs. Peter (Donna) Coldham.

Two-thirds of chicken and turkey production in Canada takes place in Ontario and Quebec.

Work Progresses at Brazeau Dam Site

At the Big Bend Hydro Plant on the Brazeau River west of Lodgepole work has been completed on an extension at the plant intake in anticipation of new generation which will be added at some future date to the plant's existing 355 mw. capacity.

Construction of a permanent spillway for the storage dam, 12 miles upstream, is still in progress. The latter will cost an estimated \$8 million by the time it is ready for use in the fall of 1969.

A major piece of engineering in itself, the spillway begins with a huge approach channel 1700 feet long, 400 feet wide and 50 feet deep. When completed, a retaining plug of material in the dam will be removed to fill the channel with water from the reservoir. At a mid-point between the dam and the Brazeau River, a control structure provided with two, 50' x 30' gates can release a maximum of 65,000 cubic feet of water per second.

The structure contains 19,000 cubic yards of concrete, reinforced with a million pounds of steel. With this phase of the work completed, its two gates are presently being installed in sections.

In operation, water released by the control gates will enter a concrete chute (1000 feet long) which has a very steep approach to the river. In order to dissipate the water as it is spilled, the chute ends in a "flip bucket" formed by another 6000 cubic yards of concrete. This will reduce the force of the water by throwing it into the air as it ends its violent course before finally flowing downstream.

Effectiveness of the ski-jump concept was carefully studied and tested prior to construction using a model of the actual spillway chute and flip bucket. The

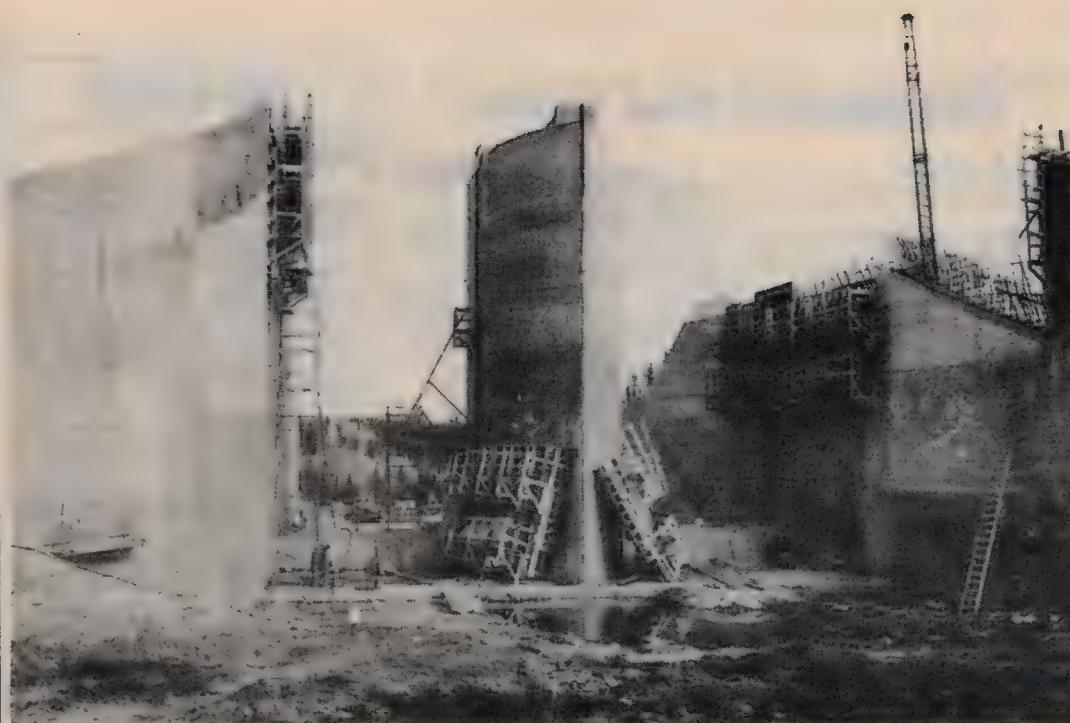

model was constructed at the University of Alberta.

Also during 1969, the exploration and study of a new hydro site on the upper North Saskatchewan River will lead to further water control, anti-pollution and power production. Named the 'Big Horn' development (after the massive Big Horn formation which forms its foundation) the project will go ahead in co-operation with the Alberta Government in the interest of long-range development of water resources. A storage dam and an initial 108,000 kilowatt hydro plant are expected to be underway by 1970, with the \$30 million project scheduled for completion in 1973.

The present program includes detailed drilling and soil sampling which will continue toward final design of the earth fill dam, diversion tunnels and the powerhouse. Living quarters at the site were extended last year to accommodate about forty men engaged in preliminary investigation in the area.

The 13,700 acre lake to be formed by the dam is seen as an ideal site for recreation, boating and fishing. With this in mind, the Province will spend about one million dollars to clear the area of timber. A contract has already been let to Dale Maynard Construction Company of Edson for the clearing of 7,168 acres below the high-water mark for the storage reservoir.

TOMAHAWK NEWS

MRS. FINLEY SHAW
Correspondent

Deepest sympathy of the district is extended to the Schoepp family of Tomahawk, in their loss of husband and father, Mr. Charles Schoepp.

Mr. Schoepp and family moved to Tomahawk in 1952, where he went into partnership with Mr. Rosnau in the garage business. He later became the owner of Schoepp and Sons.

He was active in all community affairs and always willing to support any new projects. He was keenly interested in the furtherance of sports such as baseball, hockey and curling. Another of his many interests were the 4-H clubs.

I'm sure he'll be sadly missed (not only by his neighbors,) but

by all of his many friends.

Winners of the whist that was held in the Tomahawk Library on February 22nd, are as follows: Men's First- Mr. T. Hallett. Consolation-Mr. J. Overbo. Travelling Prize-Mr. T. Hallett. Ladie's First-Mrs. T. Hallett. Consolation- Mrs. R. Pezzot. Travelling Prize- Mrs. R. Pezzot.

Congratulations to the Tomahawk Rockets in their two games at Drayton Valley on February 21st and 22nd. They won their first game 2-1 and their second, 3-2. This for them, is quite a feat, since it is the first two games they've won this season. Keep up the good work boys, it's finally paying off.

Tomahawk Totems again emerged as winners in their two games played on Saturday, Feb-

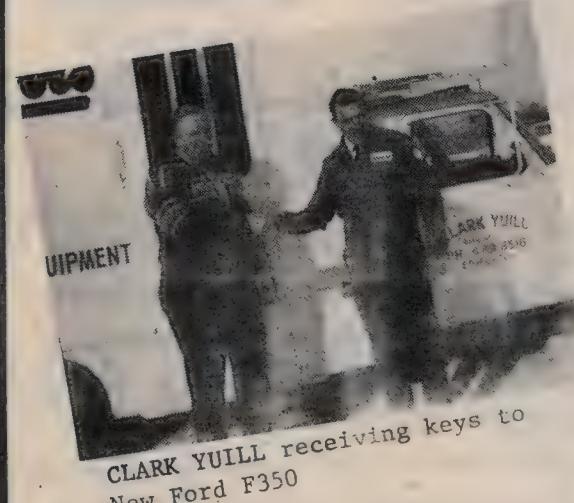

ruary 22nd and Monday, February 24th. Saturday's game against the Elks was 6-0 and Monday's score against L.B. Motors was 8-1.

On Sunday afternoon at the Tomahawk Recreation Rink, The Stony Plain team played the Tomahawk men. There was a good crowd and Tomahawk, after a hard-fought battle, forged ahead and won the game.

Forecaster at weather station to assistant: "We really needed that rain. I don't think we could have gotten away with another wrong forecast."

Dangerous Fire Stunts

By A. E. Bridges,
Alberta Fire Commissioner

I have seen some pretty daring stunts in my life but they are not all done in a circus tent. Just consider the hair raising risk of this latest chancy stunt. Just the other day a skidoo operator thought he would get better starting performance if he heated up the fuel in the house before filling his skidoo fuel tank. As he was engaged in this, he spilled some of the fluid. The fumes of the fluid ignited from the heater pilot light. The house was completely destroyed and he ended up in hospital with critical burns. Of course, he could have blown himself to eternity.

A chain smoker always carries a torch. He can set fire to his clothes, paper, furniture, rugs, bedding and forests. But, in order for any careless smoker to take the supreme risk, all he has to do is to lie down to rest while he is smoking a cigarette. The results can often cause the most deadly stunt of all, that is, death by suffocation without causing much of a fire.

I seek every opportunity to discourage these highly dangerous practices and I am looking for more and better ways to communicate the need for more wide-spread knowledge about the true facts of these foolish practices or daring stunts which cause a needless loss of life.

CUB NOTES

SCOUTS:

The Scouts have two new members, Tom Rea and Lennie Van Herewetthe.

The group is working on a "Badge Program", which is progressing nicely.

Also the group is working for their "Citizen Badge". This is an extensive project which requires all the Scouts to participate.

Weather permitting the group plans to have a camp out soon.

CUBS:

A Pack - A Pack enjoyed a sleighing party and cook out called the "Ramble" on Sunday, March 2nd. Seventeen boys participated, they were put into groups of six and tried their hand at cooking, this achievement is credits toward the Green Star Badge.

B Pack - February has been a busy time for B Pack, as five badges and eight stars were earned. Boys receiving the stars were: Barton Pederson, Lyle Dressler, Dwayne White, Bradley Belva, Brent Innis, Michael Shimabashi and Willie Eustace. Badges were awarded to Michael Shimabashi (2 badges), Derrick Johanneson (2 badges) and Dale Luc.

Three cubs in B Pack have now earned all five stars as of this month, they are: Brent Innis, Bradley Belva and Willie Eustace, congratulations boys.

C Pack - Cubs and Leaders of C Pack would like to thank the Cub Mothers and the Group Committee for the Father and Son Banquet on February 17th, it was very much enjoyed by all. The boys have been very busy this month and have earned eleven badges. The Tawney Star was earned by Darrell Radowits, the Green Star by Murray Klein and Byron McMahon, and the Blue Star by Mel Moltzan. This month there have been two meetings of the Sixer's Council.

WEEKLY VIEWPOINT

A series of brief meditations for the readers of The Western Review prepared by the clergy of the Drayton Valley Ministerial Association.

The Broad Way and the Narrow

BY REV. ZEKE MARTIN

In St. Matthew's Gospel, Chapter 7, Verses 13 and 14 Jesus said "Enter by the narrow gate; for the gate is wide and the way is easy, that leads to destruction, and those who enter by it are many. For the gate is narrow, and the way is hard, that leads to life, and those who find it are few". This is part of His sermon on the Mount and in the light of such an injunction no one can suggest that Jesus got his disciples by false pretenses. He painted no glowing picture for he told the people bluntly what they would be in for if they decided to follow Him. He made them count the cost at the start. With a love of reality that would brook no evasion, he first faced the facts for Himself and then insisted that candidates for discipleship should do the same.

Now there are two ways, in the main, by which to secure the support and allegiance of men. You may bribe them or you may challenge them. You may appeal to the selfish instinct in the heart of every man or you may appeal to the heroic instinct, and the nature of the appeal will do much to determine the response. Bribe, and you will get lip service, eye service, time service and when the storm breaks, many a defaulter. Challenge, and you at once sift the wheat from the chaff and those who respond will proffer the utmost love and loyalty of their hearts. Jesus, who knew what was in man, knew that, and with Him it was never a bribe but always and everywhere a challenge.

That is what we find in this passage quoted above, there is nothing in it to indicate that living the Christian life is easy. Christian discipleship is not - what great numbers of people suppose it to be - a sort of pastime which one happens to be keen about, just as others are keen about games or music or literature, something that can be taken up and set down at will or according to inclination. However, one thing is beyond dispute today, twentieth century Christianity by and large has lost its compelling note and for most of us there is no cross in it, no abstinence, no self denial, no subjugation of our own selfish

pursuits in the interest of spiritual things. The common notion is that a Christian is a person who goes to church on an average of once a week, and tries in a mild and quiet way to live a decent life. When young look at the church and its program today they are not made to feel that Christianity is a creed for heroes or that to embrace it means living dangerously.

Hunger Lunch

On March 13th, 20th and 27th St. Anthony's C.W.L. will sponsor a "Lenten Hunger Lunch" in the curling rink from 12 noon to 1:00 p.m. The lunches will be open to all adults and high school students.

The proceeds, of which 92% reaches its destination, are used for developing countries. Come and make your concern evident.

AGRICULTURAL COMMITTEE MEETS

Minutes of first meeting of The Agricultural Committee of the County of Parkland No. 31 held at the County Office, Stony Plain, Alberta on Thursday, January 30th, 1969.

Members Present -- Messrs. Roy Lent, George Mann, Rudolph Zander and Ivan Vowk, District Agriculturists Earle Lowe and Darryl Carlson, Agricultural Fieldman William Moelhoff and Secretary Len Webber.

Election of Chairman -- The Secretary called for nominations for Chairman for the year 1969.

Mr. Mann was nominated by Mr. Lent. It was moved by Mr. Zander, seconded by Mr. Vowk that nominations cease. Motion carried. Mr. Mann was declared elected as Chairman for the year 1969, and immediately took the chair.

Reading of Minutes -- The minutes of meeting of the Agricultural Service Board, Municipal District of Stony Plain No. 84 held December 17th, 1968 were read and adopted on motion by Mr. Lent. Carried.

Agricultural Service Board Conference -- The Agricultural Fieldman advised that the date for the Regional Agricultural Service Board Conference to be held at Westlock has been changed to Tuesday, February 4th, 1969.

Purchase of Tractor and Mower -- The matter of purchasing a tractor and mower for grass and weed control on roadsides was discussed at some length and was tabled until further information is received from the Agricultural Fieldman.

Agricultural Fieldman's Report -- The Agricultural Fieldman's report of activities since the last meeting was read and discussed.

Sale of Chemicals -- The resale of chemicals by County as a service to ratepayers was discussed.

It was moved by Mr. Zander that the possibility of re-entering the sale of chemicals be investigated. Carried.

CORRESPONDENCE -

The following correspondence was read for information and discussed:

1. Memorandum from Mr. W. Lobay, Head Weed and Municipal-Plant Industry Program, Department of Agriculture with report of 1968 herbicide trials attached.

2. Circular letter from Mr. W. Lobay, regarding soil sterilization requirements for 1969.

3. Circular letter from Mr. W. Lobay advising that the production of Tordon 22K has been discontinued. He advised that a supply of Tordon 22K may be available at a cost of \$48 per gallon.

It was moved by Mr. Zander that an order be placed for 10 gallons of Tordon 22K at a total cost of \$480. Carried.

4. Circular letter from Mr. W. Lobay, advising that a survey is being taken to determine whether Agricultural Fieldman would favor their appointment as Weed Inspector for Towns and Villages located within the boundaries of their respective Municipalities.

It was moved by Mr. Vowk that the Secretary write the

Towns of Drayton Valley and Lodgepole and Villages of Spruce Grove and Entwistle regarding Weed Control in their respective Municipalities. Carried.

5. Circular letter from Mr. W. Lobay, regarding the issuance of Seed Cleaning Plant permits.

6. Memorandum from Mr. O. G. Bratvold, Head Field Crops Branch, Department of Agriculture, regarding the need to alert farmers to have tough and damp grain dried.

7. Memorandum from Mr. H. T. Osterhuis, Supervisor, Tree Planting, Department of Agriculture with a list of trees still available for 1969 planting attached.

1969 Forage Seed Program -- The 1969 forage seed program was discussed at length.

It was moved by Mr. Zander that the forage seed program be advertised and the deadline for accepting applications for assistance under the program be set for February 28, 1969. Carried.

Calfhood Vaccination -- Some discussion also took place on the Spring Calfhood Vaccination Program.

It was moved by Mr. Zander that the Voluntary Spring Vaccination program be held in abeyance and that Veterinarians Dr. R. Williams of Stony Plain and Dr. D. L. Kreycik of Drayton Valley be invited to attend the next meeting of the Agricultural Committee to give their views on the program. Carried.

Agricultural Service Board Policies -- It was moved by Mr. Lent that the District Agriculturist and Agricultural Fieldman compile a list of policies still in effect with respect to the Agricultural Service Board. Carried.

Assistant Agricultural Fieldman -- It was moved by Mr. Zander that since Mr. Gerald Repecka former assistant Agricultural Fieldman has taken on other duties with the County, that we advertise for a full time assistant agricultural fieldman. Carried.

Weed Inspector -- The matter of employing part-time weed inspectors for the summer months was discussed.

It was moved by Mr. Vowk that we write to the Faculty of Agriculture, University of Alberta to advertise our need for 3 third year agriculture students for summer employment as weed inspectors. Carried.

Pest Control Officer - Western Area -- It was moved by Mr. Lent that the appointment of a pest control officer for the western area of the County be referred to Mr. Vowk for recommendation at the next meeting. Carried.

Forage Seed Supplies - Western Area -- It was moved by Mr. Zander that the District Agriculturist and Agricultural Fieldman make recommendations at the next meeting as to forage seed supplies for the Western area of the County.

Office Space - Agricultural Fieldman -- The matter of office space for use by the Agricultural Fieldman and other County officials while working in the western area of the County was discussed.

HOME MANAGEMENT SERIES PLANNED

There has been quite a demand for a home management

series in the Entwistle-Wildwood area. Let's hope the attendance matches the demand!

We've planned a series of 6 afternoons from 1:00 p.m. until 4:00 p.m. (approximately) beginning Thursday, March 6th. We try to have a number of guest speakers to make it more interesting.

An outline of the material to be covered will give you an idea of what to expect.

Money Management- budgeting, record keeping, investment insurance, credit, consumer buying, wills, estates.

Food- freezers, meat, deceptive packaging, meal planning and preparation, supper dishes.

Clothing - selection, today's

fabrics, laundry, flammability.

Housing - furniture arrangement, furnishings; improving storage, accessories.

Family Life- values, goals, family relationships, time and energy management.

The meetings will be held in the basement of the Ukrainian Greek Orthodox Church in Wildwood. For further information contact Mrs. Nick Kostiuk at 325-3770 in Wildwood.

Lawyer: "You say you were about 35 feet away from the scene. Just how far can you see clearly?"

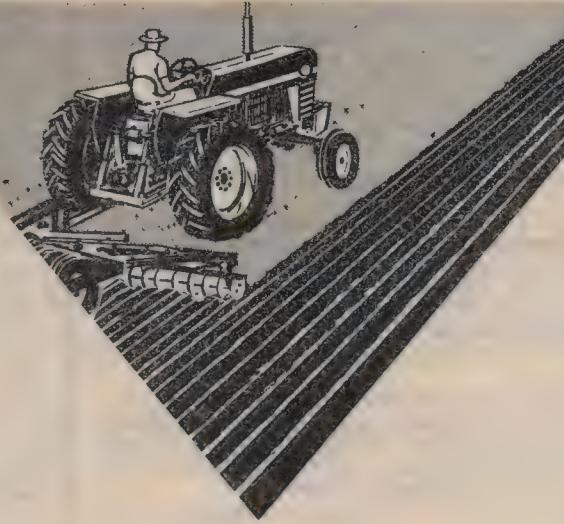

Old farmer: "Well, I see the sun and they tell me it's about 93 million miles away."

SUBMISSIONS REQUESTED

THE COMMITTEE FOR REWRITING OF THE SCHOOL ACT ESTABLISHED BY THE DEPARTMENT OF EDUCATION REQUESTS SUBMISSIONS REGARDING DESIRABLE CHANGES IN THE ACT FROM INTERESTED PERSONS AND ORGANIZATIONS THROUGHOUT THE PROVINCE. BRIEFS SHOULD BE RECEIVED BY MARCH 30 AND SHOULD BE DIRECTED TO:

Pressure Control challenges wasted power by cutting wheel slip as much as 50%

Pressure Control is a new kind of hydraulic system that produces "on demand" traction according to the terrain and type of implement being pulled. With this Massey-Ferguson exclusive feature, you place extra traction weight on the rear wheels with just a touch of a lever. Instantly, thousands of additional pounds are put to work — to reduce wheel slip by as much as 50%. Not since 1935 (when the Ferguson System was introduced) has there been such a dramatic improvement in MF tractor capability.

With the added efficiency of Pressure Control, a Massey-Ferguson tractor handles bigger pull-type implements and heavier loads than could normally be expected of tractors in the same horsepower class. And because more of the engine horsepower is converted into useable power, you get more tractor — and more performance — for your money.

ONLY MASSEY-FERGUSON HAS MET THE CHALLENGE OF WHEEL SLIP SO EFFECTIVELY — WITH EXCLUSIVE PRESSURE CONTROL.

RAMONA NEWS

MRS. J. STEWART
Correspondent

The 4-H members of this area attended an evening at Evansburg on Friday, February 28th, along with several other clubs. Each club did a skit or some sort of entertainment.

The teen club held their meeting and dance Friday night also. About twenty youngsters attended and all had a real good time.

The Chaparones were Phyllis Kelly and Marion Kmyta. If any of the parents are able to chaparone on the last Friday of each month would you please call 542-2226 or 542-2213. We need two chaparones each month but have a hard time finding someone available when the time comes. The youngsters would appreciate hearing from you if you can chaparone.

The Harold Benjamin family

of Edmonton visited the Vern Benjamin family on the weekend.

Next week is a very busy week up this way. On Tuesday, March 11th is Ramona's bingo with a jackpot of \$70.00. On Thursday, March 13th there is a bingo at Whitemouth, the Share-the-Wealth jackpot is \$190.00. Then on Friday, March 14th, there is a St. Patrick's supper and dance at Ramona.

On Friday, February 28th an engagement party was held in the home of Tom Hallett in honour of their second daughter Janice. Janice is engaged to Mr. Matt Hayduk of Calmar. They plan to marry on April 12th. Congratulations Matt and Janice.

Many people in the district are happy to have their yards and driveways snow plowed since the snow has been so deep this winter.

A birthday dinner was held at Gwen Melnyk's home on Thursday, February 27th to honor Vickie Kos on her birthday. The ladies and children enjoyed Chinese food. We're sure you had a happy birthday Vickie.

Belated birthday greetings to Vickie Kos, Gloria Karach and Pete Mulyk all on February 27th. Ann Karach and Janet Mulyk on March 3rd.

Happy birthday to Alberta Fletcher March 5th, Vancel Swap, Julie Yurkavich March 7, Tony Blatkevich March 10th.

Happy anniversary to Peter and Helen Rybak. Their anniversary is March 5th.

HEALTH UNIT NOTES

Dear Friends,

We will be embarking into a short study of the growing years from one to six. A short weekly article (in the Western Review), on a specified age group, will usually be followed by a corresponding film at the Health Unit Friday afternoons, a short discussion period, and an occasional guest speaker. You are invited and welcomed to come.

ONE-YEAR OLD:

At one year, your baby is becoming a child. At one, he's a creeper and a climber, seldom quiet a minute he's awake, always busy trying to find out everything about everything in his world.

He is a great learner. Walking, talking, eating, bowel and bladder control are some of the things he will learn about in the coming year. At one, he is also learning how much he needs and loves his parents as his own daring and independence grows.

How your child learns the things you want him to learn depends upon the readiness of his body, his brain and his nervous system. Failure, frustration and even damage to his developing personality may result if he is punished too hard, pressed to learn things before he is physically or mentally ready.

Earlier he was content to let you be the boss. Now he is beginning to have his own ideas about what he wants to do, where he wants to go, and what he wants to eat, how he feels about strangers and many other things. This is a good sign. Your baby is growing up.

Film; Friday at 2 p.m. "He Acts His Age" This short film presents an overall picture of how a child's emotional development normally keeps pace with his physical growth, and of the behavior he exhibits at certain ages.

GUEST SPEAKER- Dr. A. Voth will be speaking on the illnesses (sore throats, ear aches, stomach upsets, etc...) which commonly affect young children, and what you, the mother, can do for them.

ROCKY RAPIDS NEWS

Friends and neighbors held a surprise party at the home of Mr. and Mrs. Dave Cameron in honor of their 25th wedding anniversary.

The table was centered by a wedding cake made and decorated by Mrs. Mary Rees and Mrs. Frances Edmunds. A purse of money, two flower bouquets and numerous other gifts were received by the couple.

A social evening was enjoyed by all.

Get well wishes to Mrs. Inga Frost and Mrs. Grace English, patients in the Drayton Valley Hospital.

It's good to see Mr. Bill Gray, Master Johnson and Mr. Bob Cowan, well after their stays in hospital.

Congratulations to Mr. and Mrs. A. Freier on the arrival of their second grandchild, a daughter Sharon Ann born to Fred and Karen Schollmaier.

A social will be held at the Rocky Rapids Hall on March 28th. Anyone with news items please phone 542-2190.

BUCK CREEK NEWS

SHEILA ANN MAINE
Correspondent

Mr. and Mrs. Huyghe have announced the engagement of their daughter Judy to Mr. Leo Tomczak.

Miss Deborah Lee and Mr. Doug McAllister have announced their wedding day as March 21st.

The ladies' bonspiel came up with the Phyllis Jackson rink as winners and from all reports the girls had a very good time. We will have to wait until next week for the results from the Farmers' spiel. However an interesting game to watch might be the playoff games between Alder Flats and Buck Creek for the trophy which is battled for each year between the two. Good Luck.

Don't forget to ask about the 11th of April.

Did you know we have a community club meeting the first Wednesday of every month? Come out and help folks, the community won't run itself, it needs a lot of help.

Is everyone as curious as I am, to know what the stock pile of gravel behind Ben's Service Station is to be used for? If anyone knows for sure, give us a call and we can all know about it.

We were sorry to hear that Mrs. Ann Gaudet is back in the hospital, get well soon Ann.

Mr. Gary Wagner is visiting his grandmother, Mrs. F. Simpson.

I have been asked to mention the piles of snow left at the gates when the roads are plowed, it certainly is discouraging to drive out to the road only to find you have a two to three foot snow bank to shovel out before you can get on the main road. Perhaps the grader operators could take note of the peoples' objection.

Ladies interested in losing a few pounds could call 542-2032 for details of the new club which has formed.

WHO'S NEW

February 28-Mrs. Paul Hargus, (Edith), Warburg-Boy 7 lbs. 1 oz.

Mr. and Mrs. Rybak

Couple Honored on Fiftieth Anniversary

Mr. and Mrs. Mike Rybak of the Drayton Valley district celebrated their 50th wedding anniversary on February 15th, 1969. A supper was given in honor by their nine children at the home of their daughter Olga and son-in-law Arnold Richter. The celebration took place in Edmonton where many old time friends and relatives were present.

Mr. and Mrs. Rybak migrated

from Poland to Canada in 1930 and started homesteading in the Drayton Valley district. Mr. Rybak served in the Austrian army from 1917 to 1918. They farmed until their retirement in 1963. They are at present still living on the farm with their son John.

Congratulations are extended to Mr. and Mrs. Rybak from their nine children and 18 grandchildren.

D. V. Highlights

BY MRS. EDITH DEBY

At the fortnightly whist party held at Dunington Hall, Mrs. Hines Sr. and Mr. Albert Grinde were high scorers. Mr. Hines Sr. and Mrs. Walter Lainchbury won consolation.

Fish and Game Seeks Outdoor Rifle Range

Among other points of interest arising at the monthly Fish and Game Association meeting held last Thursday evening at the Goliad office was the possibility of acquiring a new outdoor rifle range before the advent of the 1969 hunting season and two or three possible locations were indicated, with the executive to look into the matter and report back at the next meeting.

With 1969 memberships now being available, the meeting approved the fee of \$3.00 for each membership plus \$2.00 for the first associate membership and \$1.00 for each associate membership in the family under 18 years of age.

The Association also ruled that in order to enter any fish under any of the Association's competitions a member must have purchased membership at least two

weeks prior to catching the fish and those entering the big game competitions must secure their memberships no later than August 31st.

The possibility of forming a Junior Forest Wardens' Club is presently being investigated and further word is anticipated by the next meeting.

The recent pheasant planting program was reviewed and it was decided that this should be abandoned as not being likely to succeed in this area.

Members were also advised that it was anticipated that a full explanation of the Liability Insurance afforded by membership in the Association would be presented at the March meeting to be held on Thursday evening, March 27th in the basement of the Goliad office.

THE WESTERN REVIEW

Drayton Valley, Alberta
March 5th, 1969

BERRYMOOR

The Three B's Club of Berrymoor held their February meeting at the home of Mrs. Dorothy Cropley. There were thirteen members and one visitor present. The March meeting which will be the annual one, will be held at the home of Mrs. Ann Van Ember on Saturday, March 29th.

Quite a few of our local curlers are entered in the Farmers' Bonspiel at Buck Creek. At the time of writing the results were not yet known.

Mr. and Mrs. Clifford Johnston and family were weekend visitors at the home of Mr. and Mrs. John Johnston.

Mr. and Mrs. E. Neff and son from Prince George, B.C. visited with relatives in Warburg and Berrymoor over the weekend.

A house warming party was held on Saturday evening for Lester and Dorothy Cropley, who have recently moved into their new home. A large number of friends gathered to wish them well. They were presented with a cash donation from the community for which they thanked everyone present. The music supplied by Mr. and Mrs. Harder was much appreciated.

Mr. and Mrs. Walter Joneson and family of Edmonton spent the weekend at their farm home.

A number of young boxers from the Breton Boxing Club took part in the Golden Glove trials held in Edmonton over the weekend. A local boy, Dwayne Laughlin, was among those who went. We understand that Dwayne did not win his bout but feel that it is much to his credit that he earned the right to take part in this event.

Get well wishes are extended to little Karen Berry who is a patient in the Royal Alexandra Hospital in Edmonton.

ATTENTION ALL FARMERS!

There will be a FARMERS UNION MEETING WEDNESDAY, 12th at 8:00 p.m. in the Town Hall Council Chambers.

We extend an invitation to all Non-Members as we feel if more farmers learn what the Union is doing our membership will increase and we will have more BARGAINING POWER.

Already the F.U.A. has been successful in getting the 3¢ tax removed from Purple Fuel, so this is a step in the right direction.

IF YOU ARE A GOOD FARMER - IT IS YOUR DUTY TO COME AND AT LEAST LEARN SOME FACTS.

COUNTY OF PARKLAND NO. 31

Macleods

INTRODUCE THE

**WESTINGHOUSE
DISHWASHERS**

Whenever you wash a dish, put it in the drainer, then dry it to a polish, you're doing almost as good a job as this Westinghouse. Almost.

If you could put your hands into 145 degree water, and fan the dish dry with hot, sanitized air, you'd get it almost as clean. As long as you washed it twice and rinsed it three times. But you'd have to be as thorough as our Jet Swirl washing action to get every speck of food away.

And you'd have to do all that with everyone of your dishes, glasses, pots and pans. Otherwise, you're not in the race.

And you'd have to be able to carry 13 place settings at a time, warm plates for serving, rinse them and hold them 'til you were ready to wash, and tuck away in a corner when you weren't needed. And you'd never get tired and you'd never complain.

Forget all that. Let Westinghouse take care of the dishes and leave you free to take care of all the things that really matter.

So take your choice of Avocado, Antique, Copper or White. Happy choices all.

Too Late For Last Week's Issue

Mrs. Mary Eckenswiller and Miss Grace Kennedy of Edmonton were visitors at the R.T. Ward's

Ported them.

The sympathy of the district goes out to the D. Stadnick family in the loss of Mr. Stadnick's father who passed away at his home in Radville, Saskatchewan.

Keith and Kathy Sarich celebrated their 8th birthday on February 2nd.

The C.W.I. held its meeting at the home of Mrs. L. Anderson on the evening of February 18th. There were 12 members present. Amongst their other business, plans were made for the catering of a wedding to be held in March.

A matron approached a salesgirl and inquired as to the whereabouts of the perfume counter.

"Just walk this way," said the girl, taking the lead.

"Hmmm," said the customer, "if I could walk that way, I wouldn't be here buying perfume!"

WARBURG NEWS

MISS V. LEHAY
Correspondent

The Carnival dance was held on Saturday, February 22nd. Willard Robinson and the Rhythm Ramblers played for approximately 200 people. At 11:00 the queen candidates were crowned. The princesses, Marscene Dalke and Monika Petruch were crowned by Carolyn Schnick and Elaine Mosicki, the runners-up for last year. Virginia Lehay was crowned queen by Darlene Kerkies.

The princesses wore royal blue capes and the queen a scarlet cape. The queen was presented with a bouquet of red roses and each candidate was given a cheque from the Warburg Area Recreation board in appreciation of their efforts to make the carnival a success.

The queen and her escort then danced the first waltz. They were joined then by the princesses and their escorts, the candidates of last year and their escorts.

The winning ticket was drawn by the queen and the instant camera was won by Lindy Ruff.

The dance ended with the ladies serving sandwiches and coffee.

Sunday's activities began with a pancake breakfast at 9:30 in the Community Hall.

The Ski-Doo parade began the more active part of the day's events. It was led by Neils Doch who pulled the sleigh with the queen and princesses. The parade started at the high school and ended in front of the hall.

after several turns around the ball park.

The Ski-Doo Gymkhana was observed by a large crowd from cars along the road and by others who dared to brave the cold.

The Ice Show was worked up by Marian Ellis and many others behind the scenes and was presented by young local skaters. A production was presented by the Breton rink.

At the grand finale the queens were presented.

The PeeWee hockey team then played, followed by Ladies in Action which proved of interest and amusement to all. Free skating ended the day.

Mr. and Mrs. Paul Berezowski and family from Hinton were Sunday visitors at the A. Fryk home. Other Sunday visitors were June and Ernie Naprawa and family. Home visiting for the day was Betty Fryk and friends Robert Larsen of Edmonton and Shirley Gee, formerly of Warburg. Don Babiak and Ann Cullen also of Edmonton spent Sunday at the A. Fryk home.

Joe and Sonya Kerekes have a baby boy, born on Thursday, February 20th. The new arrival weighed six pounds and eleven ounces, and is a brother to Laura 6 and Linda 4.

Mrs. Darlene Coutts of Edmonton was home visiting her parents, Mr. and Mrs. Lionel Highland on Sunday. She spent the day enjoying the carnival

activities and visiting friends and other relatives.

Mrs. Rose returned home to Warburg on Saturday.

Mr. Harold Stevenson was transferred from the Breton hospital to an Edmonton hospital.

Mr. and Mrs. Ernie Holmgren, Becky and Mrs. Sadie Dowler of Edmonton visited at the home of George Ladd on Saturday.

Mr. and Mrs. Charlie Ladd and Mrs. Irene Laarz of Thorsby were also visiting.

Gene Schmidt spend the weekend with his grandparents, Mr. and Mrs. Ladd, enjoying the skidooining weather.

Zeny Prenioslo was home this weekend and also Jan Beatty from Goderich.

Ceramics Club Elects Officers

At a recent meeting of the Drayton Valley Ceramics & Crafts Club, election of officers took place. President, Mrs. Theresa Comeau; Vice-President, Mrs. Jeanette Miller; and Mrs. Rubyrose Vig, Secretary-Treasurer.

It was decided that the members will do their own pouring and also learn to fire. At present there is still a waiting list and notice will be released when there is an opening for new members.

We wish to thank Marion Neil, Maga Telford and Hope Vander Ploeg for their help in the past months.

Cattlemen to Tour Idaho

On March 15th, a group of Alberta ranchers, feeders, and those interested in the feeding industry will tour the Idaho Falls, Twin Falls, and Caldwell areas of Southern Idaho. Mr. Tom Hovenden, Manager of the Idaho Cattle Feeders Association, states that they will see "Bluetubes", "Telefax" and "Hay Cubes".

During the stops, topics such as "cattle backgrounding", "final retail cutout value of beef animals", and "feedlot expansion" will be discussed. Meetings with the Idaho Feeders will give an opportunity to exchange infor-

mation at a person-to-person level. Answers may be found on future feeding developments, the effect of surplus grain on red meat production and how can a feeder association help.

Bus transportation will cost each participant \$50.00 and it is estimated that \$100.00 will cover meals and accommodation during the tour. Leaving Calgary on March 15th, the tour will return on March 23rd and further information can be obtained through your local Calgary Power office or by telephoning Alex Metcalfe at 267-7378.

KEEPHILLS NEWS

MRS. G. RAYMOND
Correspondent

Mrs. Carl Engelhardt is a patient at the Stony Plain Hospital and shares a room with Betty Strassburger, who has been a patient there for a week.

Mr. and Mrs. Bill Lauder stayed with Nora Dombrosky for a few days and visited friends in the district. Mr. and Mrs. Lauder moved to Devon last July.

Mrs. Eugene Walker and her daughter Vera and family. Mr. and Mrs. Lorn Draves visited relatives in the district. They all live in Edmonton and do not get out in this area very often. Mr. and Mrs. Eugene Walker spent five months last summer at Williams Lake, B.C.

Charlie White sprained his ankle on Sunday and visited the doctor on Monday and is not able to get around very well.

Mrs. Mable Bryant has been ill with strep throat.

Ruth White spent a few days in

Edmonton with her sister.

Mr. Nelson Draves celebrated his 80th birthday on February 21st and on February 22nd, a supper for about one hundred was given in his honor at the Keephills hall by his family. Along with his family were old timers of the district of fifty to sixty years ago. Mr. Draves came here in 1905 and made his home here until 1952 when he sold out and went to live with his children in Edmonton. Mrs. Draves passed away in 1950. He has seven children and all live in Edmonton.

Edward Tattersall was home over the weekend.

Jaque Porter celebrated her birthday, and Mr. and Mrs. Le-Grand their wedding anniversary, on February 24th.

Ruby Jane Sharon and Lorne Melvin Lyons were married recently in a ceremony in Grace Lutheran Church. The bride is the daughter of Mr. Nelson Draves of Keephills and the late Mrs. Draves. The groom is the son of Mr. and Mrs. Nelson Lyons of Kelowna, B.C. After a honeymoon in Trinidad, the couple will reside in Edmonton.

Charlie White sprained his ankle on Sunday and visited the doctor on Monday and is not able to get around very well.

Mrs. Mable Bryant has been ill with strep throat.
